ADVISORY

Whereas a large number of complaints are being received that people purchasing liquor from liquor vends often start consuming the same in front of the liquor vend itself or at other public places. Vendors selling eatables and juices, at times, also station themselves unauthorisedly outside liquor vends which further encourages this undesirable activity. Drinking in public is a nuisance with a serious potential to result in brawls and quarrels causing serious injuries/death and damage to public and private property. This affects the peace and tranquillity of the area and creates problems in maintaining law and order.

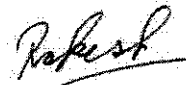

It is necessary to take speedy measures in this regard to prevent danger to human life and ensuring safety and to thwart/prevent un-toward incidents which may affect the peace and tranquillity of the area.

The Advisory for strict compliance by the owners of such liquor vends/bars/restaurants in the area of Daman District that they shall, within/ month of this advisory:-

1. Install CCTV with sufficient number of cameras (not less than 2 Megapixel resolution) and recording system with play back facility, to cover up to 50 meters area in front of the liquor vend/bars/restaurants. The CCTV cameras should monitor the premises properly, including parking areas if any, and be able to cover anyone consuming liquor or facilitating consumption of liquor or any unauthorised vendor stationed in the coverage area.
2. Preserve a digital record of CCTV coverage for not less than 21 days.
3. Cause to copy the CCTV coverage on a CD and hand over to the excise department and police whenever demanded.
4. Ensure, before starting sales for the day, that the CCTV system is in proper working order and in case any defect is noticed, immediate action to get it rectified should be taken.
